RE: Longbotham Strategic Marketing

To whom it may concern:

Over the past year, Pennsylvania Paper and Supply Company & Affiliates have had the opportunity to work with Longbotham on several different projects, events and marketing needs. We are very pleased with the professionalism and response that Bonnie and her staff have provided for us.

Pennsylvania Paper and Supply Company is a Facility Management Solutions provider. We are a very unique company. In addition to having a relationship with the NBC Show, "The Office" and working with Bonnie on related events, we have also been involved in many other projects. Marketing our products and services to our specifications, calls for someone to spend time actually listening and observing a lot of different details of our company. Longbotham has been able to handle our needs and pay specific attention to detail.

We would be happy to recommend Longbotham. At this time we look forward to working with Bonnie and her team in the future.

Sincerely,

Lynn A. Donnini
Director of Marketing and Human Resources
