Dear Bonnie,

Thank you for the terrific work you did in creating the new VTN four color ad! It really looks super and will do an excellent job for us.

Your creativity in layout, photo and color selection, and copy preparation produces material that will turn on more business for the new Century.

I'm really looking forward to seeing the "Millenium Magic" you work with the covers for our two Tour Manuals. I'm sure they'll be unique, fun and appealing and will produce excitement among Tour Operators and Group Leaders, our primary target markets.

Please let me know when you want my input, or call if you have any questions.

Sincerely,

David Kaufman CTP
